Amendment

Alee Cellular Communications ("Alee") amends Exhibit 1 (Ownership Exhibit) of its application to report certain changes in ownership as reflected in the attached revised Exhibit 1. The revised ownership percentages reflect intra-partnership transfers which do not effect a transfer of control of the application and are expressly permitted by newly-amended Section 22.922 of the Commission's Rules. See Amendment of Section 22.922 of the Commission's Rules to Permit Limited Transfers and Assignments of Applications in Rural Service Areas. 7 FCC Rcd 7539 (1992).
